

DANCES WITH WOOD

I am pleased to announce the launch of:

The *Diamond Memory Box*

Supporting children in times of loss.

The Diamond Memory Box project is designed to guide children to cherish and share special memories around loss with creative and expressive activities.

A self-guided workbook gently invites children on a journey, encouraging them to express their beautiful memories with words and/or images. Markers and a diamond pen are included in this all-glue construction project. *(No tools needed.)*

It comes with three diamonds, representing that special memories of our loved ones will always sparkle like diamonds.

If you have questions or would like to try this new project, please be in touch.
